

Join Us as a Sponsor for the 2027 ReFED Food Waste Solutions Summit

MAY 25-27, 2027 | MARRIOTT MARQUIS | CHICAGO, IL

Sponsor the nation's premier gathering of the food waste movement!

In the U.S., 29% of food goes unsold or uneaten—almost 114 billion meals' worth of food, roughly 1.3% of the nation's GDP. Uneaten food is responsible for 3.5% of U.S. greenhouse gas emissions and depletes our freshwater, cropland, and other natural resources. The good news? *Food waste is a solvable problem.* Solutions exist and are ready to be implemented with the right combination of motivation, stakeholder alignment, and funding.

That's what the 2027 ReFED Food Waste Solutions Summit is all about!

Presented by ReFED, the national nonprofit leading the movement to end food loss and waste, the Food Waste Solutions Summit brings together nearly 700 thought leaders, decision-makers, and advocates from across the food system for three days of learning, connection, and action.
