

Join us as a sponsor for the **2025 ReFED Food Waste Solutions Summit**

JUNE 23-25, 2025 | HYATT REGENCY SEATTLE | SEATTLE, WA

Sponsor the nation's premier gathering of the food waste movement!

In the U.S., 38% of food goes unsold or uneaten — almost 150 billion meals' worth of food, roughly 2% of the nation's GDP. Uneaten food is responsible for 6% of U.S. greenhouse gas emissions and depletes our freshwater, cropland, and other natural resources. The good news? Food waste is a solvable problem. Solutions exist and are ready to be implemented with the right combination of motivation, stakeholder alignment, and funding. That's what the 2025 ReFED Food Waste Solutions Summit is all about.

Presented by ReFED, the national nonprofit leading the movement to end food loss and waste, the Food Waste Solutions Summit is the premier food waste event of the year – bringing together food businesses, funders, solution providers, innovators, policymakers, nonprofits, and more to drive the adoption of food waste solutions.

The 2024 Summit was the largest in ReFED's history, reaching over 700 in-person participants and thousands more through our online content. Since last year's Summit, public interest in food waste solutions has continued to skyrocket, setting the stage for our 2025 Summit to be the most innovative, insightful, and impactful yet.
