

MEET US IN ST. LOUIS *for the* 2023 FOOD WASTE SOLUTIONS SUMMIT

MAY 16-18 AT THE
HYATT AT THE ARCH

PRESENTED BY

ReFED

Join us as a sponsor of the
nation's premier gathering of
the food waste movement

In the U.S., 35% of food goes unsold or uneaten—almost 90 billion meals' worth of food, roughly 2% of the nation's GDP. Uneaten food is responsible for 4% of U.S. greenhouse gas emissions and depletes our freshwater, cropland, and other natural resources. The good news? Food waste is a solvable problem. Solutions exist and are ready to be implemented with the right combination of motivation, stakeholder alignment, and funding. And that's what the 2023 Food Waste Solutions Summit is all about.

Presented by ReFED, the national nonprofit working to end food loss and waste, the Food Waste Solutions Summit is the premier food waste event of the year—bringing together food businesses, funders, solution providers, innovators, policymakers, nonprofits, and more to drive the adoption of food waste solutions.

The 2022 Summit was the largest in our history, reaching 650 in-person and virtual participants, and thousands more through our online content. 2023 promises to be larger and have even more impact!
